

Octàvia Building

The Octàvia Building is located in Sant Cugat del Vallès in an unbeatable location, with direct connection to the main roads: C16 tunnels of Vallvidrera, Autopista AP 7. 150 meters from the Ferrocarrils de la Generalitat station and 700 m from Renfe.

The building is of great architectural quality. **All the offices have natural light with surfaces that can be fully used as work space**, since the building has common services on each floor (H, M and adapted).

Shared space: Dining room, vending area, equipped kitchen and large terrace with tables, sunbeds, ping-pong table freely available.

Meeting room available prior to hiring.

Parking for rent, sale and for visits.

Storage rooms for rent.

Address: Vallespir 19.08173 Sant Cugat del Vallès. Barcelona
